Pushing and Pulling

Author's Notes:
One first attempt with Pearl Jam so I'm open to feedback or suggestions but be gentle.

Eddie tossed another crumbled paper into the trash. The trash was so full of crumbled papers that they were spilling onto the floor now. He was the vocalist and it was his job to compose lyrics.

He heard footsteps behind him but he said nothing to them. He knew it was Stone like always.

"What?"

"You okay?" Stone asked.

"No, man. I can't do this alone anymore; I need help writing these songs."

"You should have said something; of course though."

"I'm saying now."

Stone nodded and they both began going over lyrics for the first time together.
